*BISHOP EUSTACE PREP*  
*PENNSAUKEN, NEW JERSEY*  
*1975 Vol. 17*

The cover of the 1975 Crusader reveals a sight which is familiar to anyone connected with Eustace — the Chapel Doors. On these doors is the school mascot — the crusader, who is ready to go to battle. In a sense, we are all "crusaders," and we are all on a long crusade — life itself.

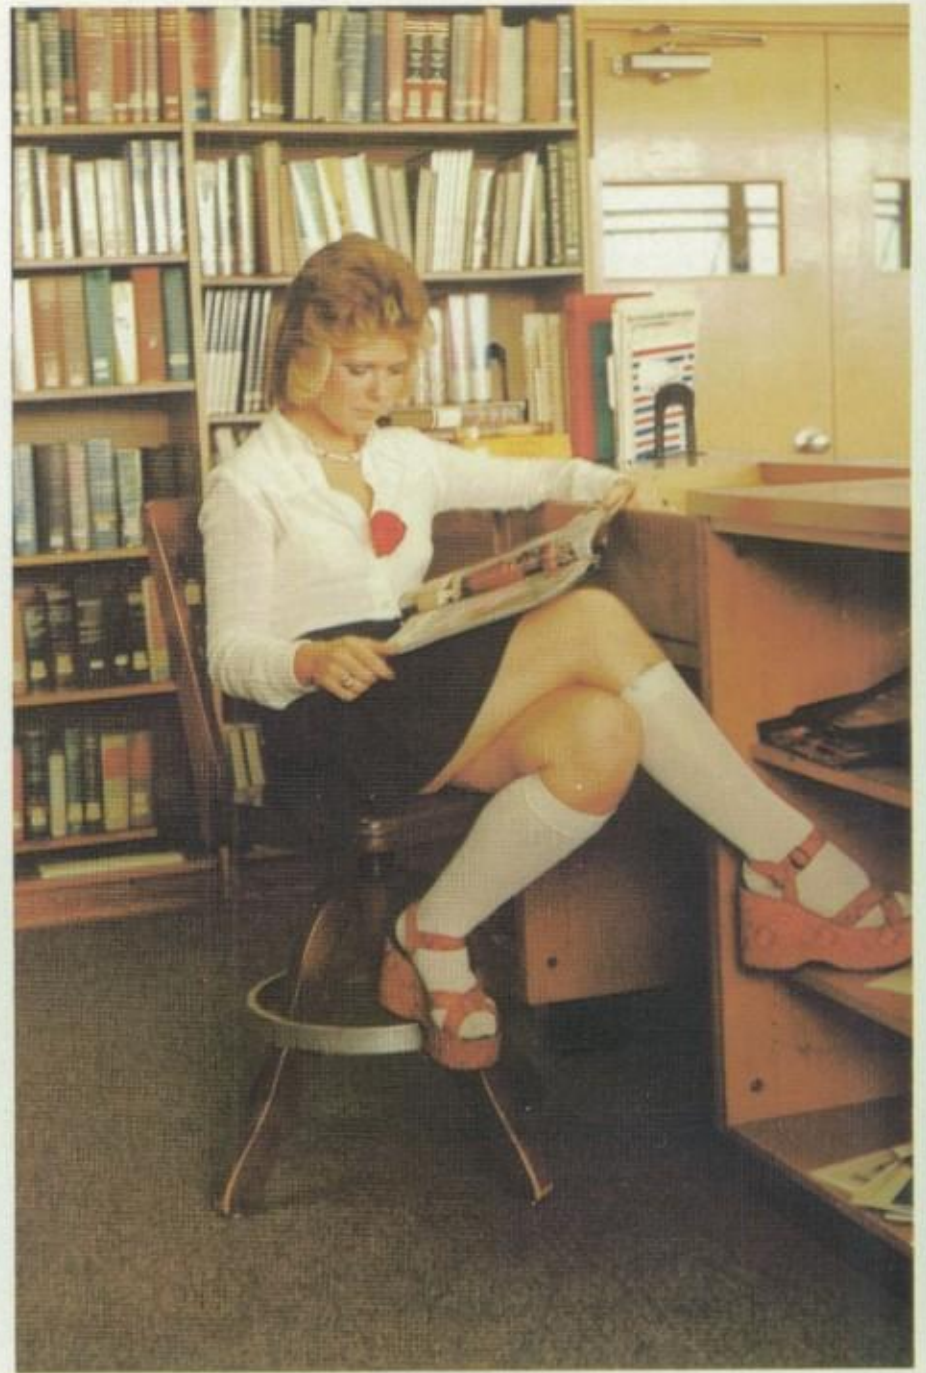

We attempt in the 1975 Crusader to give you some glimpses of people on their crusades — crusades for spiritual, mental and social growth. A crusade where all — faculty and students — benefit from each other and grow into better persons because of their experience at Eustace.

Life is a never-ending crusade. Throughout its course there are battles to fight, worlds to explore, and places to leave foot-holds for others to follow. Our time at Bishop Eustace prepared us to put on the armor of strength, grab the sword of knowledge, clasp the shield of truth and march out into life ready to better our world — not only for ourselves, but for those after us.

# Dedication

If anyone most exemplifies the perfect balance between Piety, Strength and Intellect, that man is Fr. Jack Connor. A leader, an educator and an inspiration to everyone he meets, he is more than willing to give his time and, more importantly, himself as a friend. Because he is an indispensable part of our life here at Bishop Eustace, we the staff of the 1975 CRUSADER dedicate this yearbook to Fr. Jack Connor.

Oh, Wow!

# ACADEMICS

# Pallottine Headquarters Moves To B.E.

In the winter of '75, Father Domenick T. Graziadio was elected Provincial Superior of the Immaculate Conception Province. This is another step upward for a man who has been a very important part of both the Eustace family and the Pallottines. For the past two and a half years, Fr. Domenick has served as Rector, financial administrator, and Junior guidance counselor at B.E. One result of Fr. Domenick's appointment is the relocation of the Pallottine headquarters to Bishop Eustace.

Fr. Dom flashes a smile.

Father Domenick became Provincial.

"Just stopped in for a visit!"

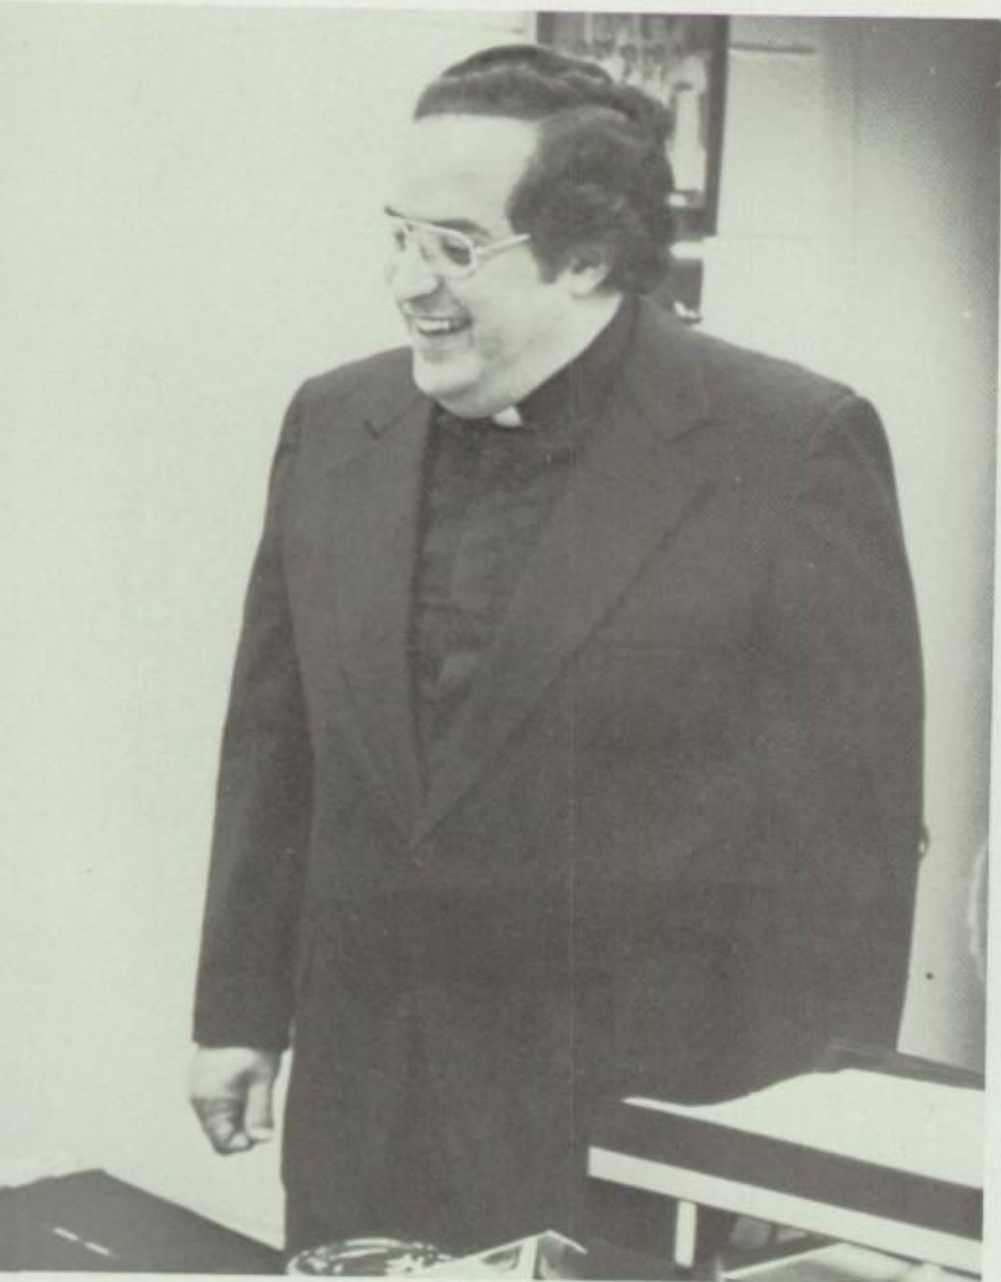

# Administration

The administration of B.E. is a hard working, very dedicated group of individuals, who spend more time than anyone else in maintaining the strict academic standards of B.E. The head of the administration is Father Angelo Palermo, a man who has spent many years at B.E. as teacher, disciplinarian and Principal. Father is ably assisted by a newcomer to the administrative staff of Eustace, Mr. Cyril Bleistine, VP of academic affairs. These men along with the rest of the faculty keep the Prep running smoothly and trouble-free.

## *Homecoming Festivities 74-75*

This year, Homecoming festivities were dulled by our surprising loss to Pennsauken. However, the great work of the Pep Club in distributing #1 pins, footballs, and the pep rally, along with the election of Kris Auletto as Homecoming Queen for 1974-75, kept the Eustace spirit alive during the Homecoming weekend.

# Girls Enjoy

Coach Mrs. Kline and Asst. Coach Mrs. Gaul survey the action.

The girls hockey team enjoyed a much improved season posting a respectful 4-7-2 record in their second year of existence. The reason for this year's improvement should be credited first to their coaches Mrs. Kline and Mrs. Gaul who approached the season with the mistakes and mental lapses of a first year team behind them. Secondly and most importantly the credit should be given to the girls themselves who used the experience gained from their rookie season to capture four victories and the respect of the teams in the tough South Jersey Northern Conference. Their much improved play is best exemplified in their M.V.P. Janice Lynch whose leadership and physical talents helped make the girls second season a successful one.

George rips ball from opponent.

The accomplishments of the '75 football team can best be expressed as amazing. They started with the handicaps of a new coach and the loss of fifteen starters from last year's S.J. Parochial B Championship team. Despite these handicaps new coach, David Capozzi, went into the season with the belief that this year's team could better the achievements of last years. To accomplish this feat Coach Capozzi put the team through a vigorous pre-season training camp, stressing physical fitness and mental alertness. This tough pre-season training produced one of the most well rounded teams in Eustace football history averaging 24 points a game while holding their opponents to a little under 7 points a game and finishing with an 8-1 record. They won the South Jersey Northern Conference Championship and were awarded the Parochial B State Title.

The team was led by All-American, Jim Ryan. Jim was the teams tight end, middle-linebacker, punter, and kicker. Because of the importance and many positions he played Jim never left the field. Other outstanding players were Jim Medes, Tex Donnally, Timi Mullowney, Charlie Schmidt, Bob Hammond and George Papanier. This year's team achieved the expectations of Coach Capozzi and can truly be called a GREAT TEAM.

Unnoticed this year by many at the Prep was the success of the girls basketball team. This year's team recorded a 9-9 record. The team was directed by a new coach, Miss Ernst, who was assisted by Mrs. Kline. Together they molded a bunch of young basketball players, with the exception of Kim McGahey, into a respectful team. Kim McGahey the only true veteran on the team was the main reason for their success. Kim enjoyed an outstanding year and was awarded the team's M.V.P. award. Tony Plakis soars for two.

For the third straight year the B.E. basketball team won the state championship. This year's team was a duplicate of last years having a slow start but finishing strong with an impressive 79-41 win in the state finals. The ingredients for winning was strong physical rebounding by Jim Ryan, quick explosive scoring by All-American Tony Plakis, and smooth quarterbacking by M.V.P. Mark Mancini. But the most forgotten and most important ingredient was coach Pete Johnston. Pete Johnston used this year's team exceptional quickness and great one on one talent to implore a successful four corners controlled offensive. This offensive intimidated bigger and more powerful teams. This year's team kept the tradition of Bishop Eustace going by recording a 20-7 record.

Coach Pete Johnston, Tony Plakis, Jack Sparks, John Feigenbutz, Jim Ryan, Mike Marra, Ken Bolis, Bob Falconiero, Warren Hughes, Dwanye Lipinski, Mark Mancini, and Jim Medes.

# Track

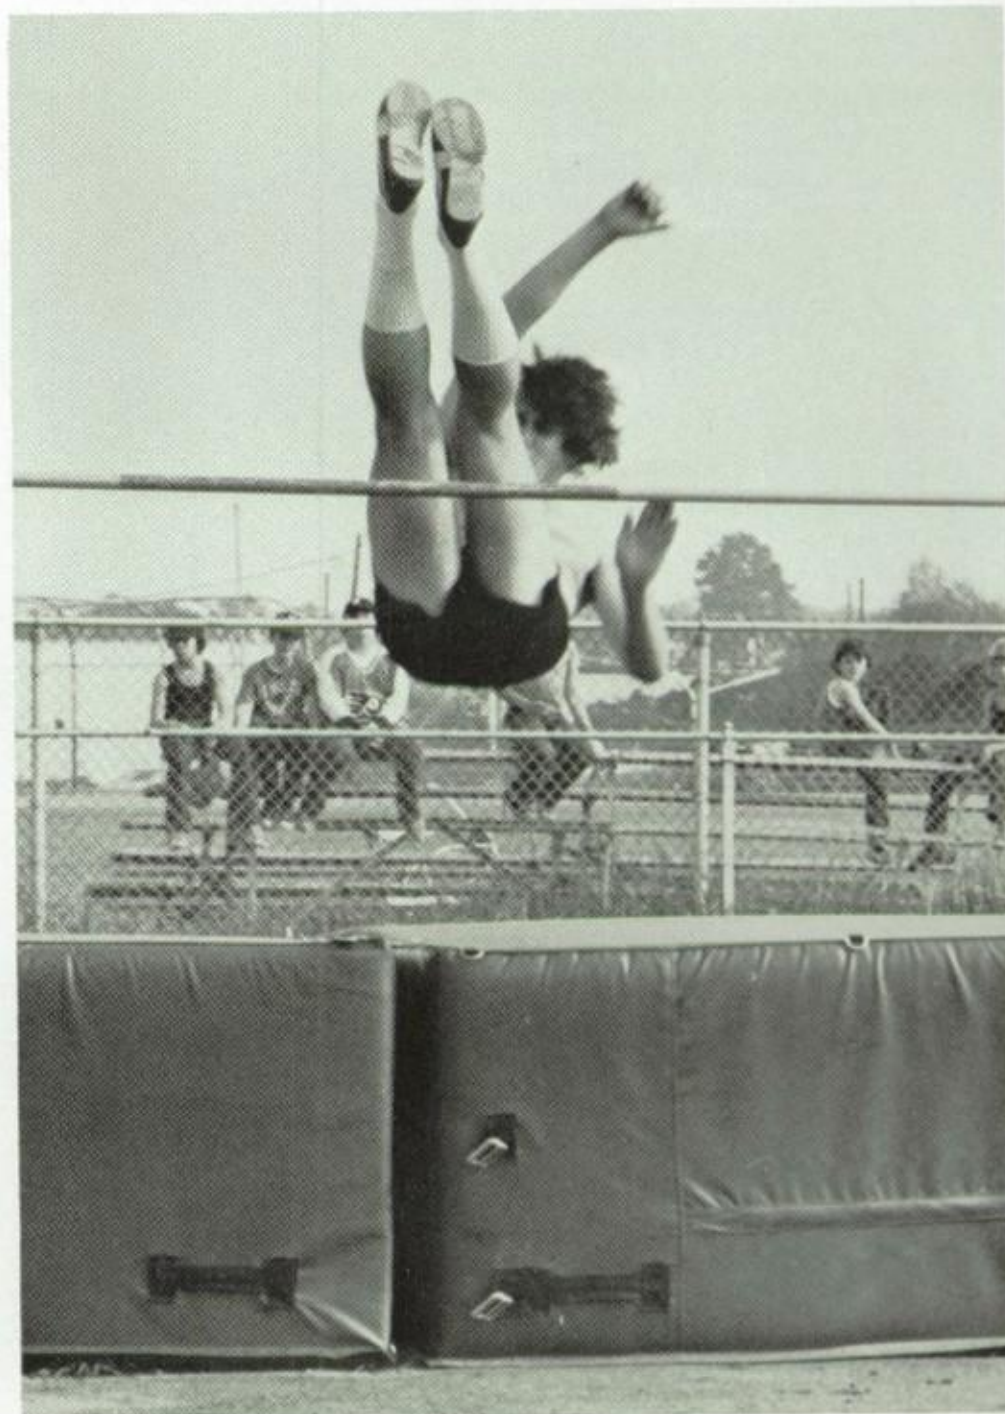

B.E. track team had little success this season in the tough S.J. Northern Conference. They did however post victories over Paul VI and Moorestown Friends. Bob Crossley and Dan Lipinski directed the team to these two victories. Dennis Rodier was awarded the team M.V.P. award for his dedication and enthusiastic effort. Other successful track stars were Mike Baselice, Mike Resenly, Sean Leonard, and Jim Medes.

## Softball

The girls softball team recorded a respectful 8-8 record led by coach Miss Ernst. The team experienced their most productive year through the efforts of all the girls especially hard hitting Diane Vitagliano. With the absence of seniors on the team we will be looking for a championship season out of the girls next year.

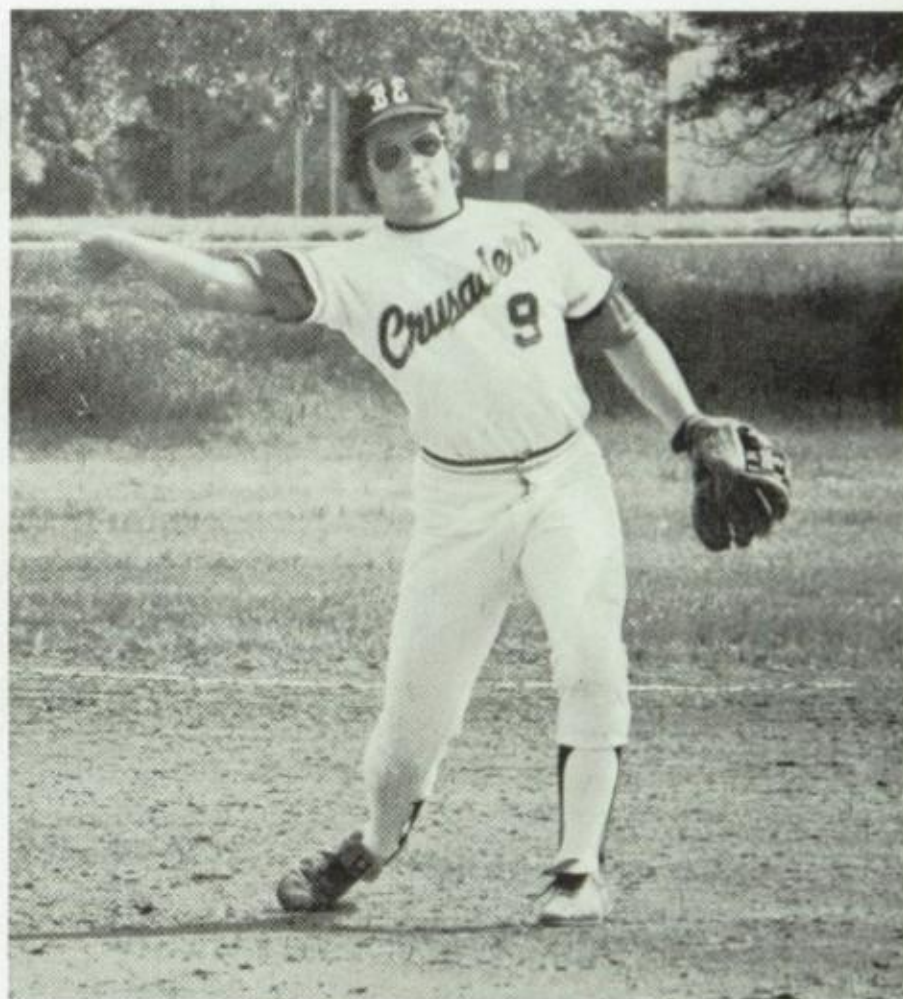

Diane Vitagliano gets set for big hit.

# S.J. Parochial B Title

CAPTAIN JIM RYAN, catcher.

The baseball team captured the S.J. Parochial B Championship by knocking off #1 rated Gloucester Catholic behind strong pitching from Mike Ewanicak. This year's team led by Captain Jim Ryan, provided B.E. with a 14-11 record and a second place finish in the tough S.J. Northern Conference. Other outstanding players were John Paul, Miki Marra, Art Hicks, George Papanier, and Bob Hammond. Coach Bob Wengert should be congratulated on for a fine job of coaching in his rookie season.
